via Mr. Ntube Francis, Secretary General APLA

Letter of Acknowledgement to APLA Continuity of Representation Within SCAUF

Dear Mr. Secretary General,

Accept liberation greetings from your compatriots at the SCAUF Secretariat, on behalf of the entire SCAUF community. We received with gratitude your letter dated 10/10/2026 through which you formally introduced the APLA after its transition from being known as the Interim Government (aka IG Care).

We are honored by your continued willingness to maintain your representation within SCAUF as this is a manifestation of the unity and collaboration which our people have yearned for, for several years now.

On behalf of SCAUF, I would like to use this opportunity to congratulate you, Comrade Frank, on being selected to lead the APLA at this critical stage of our liberation quest. As you already know, if we must win this fight against the occupation and dictatorship of La Republique du Cameroun, then it is imperative that we come together as one people, under one flag, one anthem, and one destiny to fight to secure the sovereign independence of our homeland which rightfully belongs to us.

In the days ahead, we look forward to meeting with our APLA sisters and brothers to derive a working formular that would allow the APLA to be represented effectively within the structure of SCAUF.

May the working relationship between SCAUF and the APLA be a model for other organizations within our liberation movement to emulate as we strive to bring together all Ambazonians for the final march to victory.

God bless the Ambazonian homeland forever!

Sincerely,

SCAUF Secretariat
